F.A.S.D

With the use of the magazine and **additional resources (websites)**, define your topic and summarize the message the magazine is trying to convey. Make sure to include the emphasized key points from the articles you have read.

I am evaluating:

- Your visual presentation as well as the chosen content.
- Your ability to work within a group.
- Your tone of voice and the ability to acknowledge your audience.
- Your choice of key points and your interpretation of the implied message/lesson/purpose of the magazine.
- Your level of preparation for the presentation.
