

# *The Fault in Our Stars*

## Chapters 12-18

1. Explain Hazel's t-shirt : « Ceci n'est pas une pipe. »
2. Did Peter Van Houten actually want to meet Hazel and Augustus?
3. What is Van Houten's drink of choice?
4. Augustus has a hard time addressing Peter, why do you think?
5. What is your impression of Peter Van Houten?
6. Where is his fan mail?
7. What happens to Sisyphus, the hamster, after Anna dies?
8. After Van Houten says: "...we, as adults, we pity this, so we pay for your treatments, for your oxygen machines. We give you food and water though you are unlikely to live long enough... You are a failed experiment in mutation.", what does Lidewij do?
9. What did Augustus truly spend his wish on?
10. What happened in the Anne Frank House?
11. Explain Hazel's love letter to Augustus at the end of chapter 12.

12. How is this foreshadowing? What did she find out after the following quote? - “I always thought he could love me because he’d once been sick. Only now did it occur to me that maybe he still was” (213).
13. How does Mr. Martinez crush dreams?
14. How do we know Augustus is becoming pessimistic?
15. How does Augustus want to die?
16. What did Augustus do in attempt to be independent one more time? What were the results?
17. What did Hazel promise Augustus?

As part of your evaluation. **Choose 2 quotations** from chapters 12-18 that you have written down. Write a journal response (*Discuss it. Analyze it.*).

- Write your journal response on a lined page.
- Remember to write the quotation and the page number.
